THE LANCE

1960

DANCE

Foreword

To you we present something very special, the 1960 LANCE. In this, our fourth edition, we have tried to bring you a vivid pictorial view of the activities that you have taken part in and the people you have known during this school year. We hope that this book will become one of your most prized possessions, as it aids in keeping your memories alive in the years to come. We are grateful to those who have worked so hard and without whose efforts this yearbook would have been impossible.

And so, students, faculty, friends - the 1960 LANCE is yours!

The LANCE Staff

You, Miss Mary Ann Oates, have left a lasting impression upon us, the students of Southern Pines High School. You have unselfishly shown your personal interest in us by listening to our problems with understanding and patience, encouraging us when we were disheartened, and enthusiastically teaching us. Knowing you has made us better people, and you have crept into that warm spot in our hearts reserved only for "special folks." To you, Miss Mary Ann Oates - teacher and friend - we affectionately dedicate this 1960 LANCE.

Love, "Ma" Oates

Football

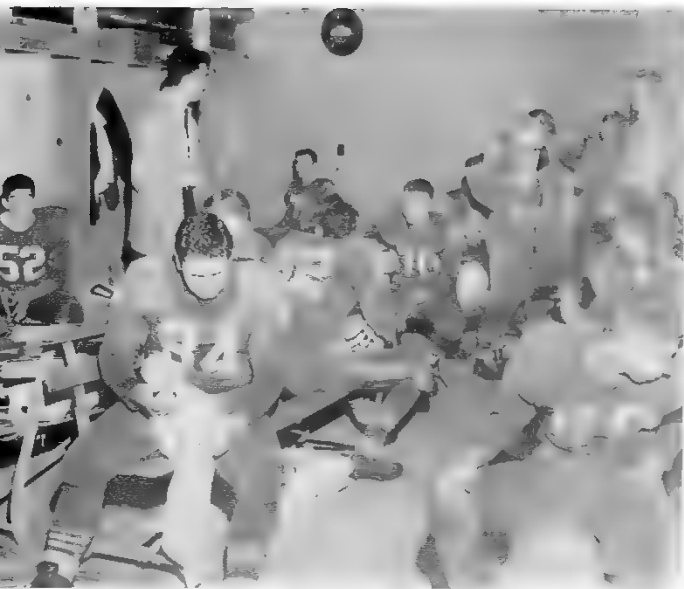

The football team was not as strong this year as it has been in previous years. This was due mainly to the lack of players and injuries. Although many hardships were encountered, Coach Jim Walser and his assistant, Gerald Ellen, led the team to a three and seven record.

Kenny Reid is shown here receiving the James Milliken Award for the most valuable player, from Coach Earl Edwards of North Carolina State College. Kenny was also an All-Conference selection at halfback.
